

**Don't have a family doctor or nurse practitioner?
Looking for one in your community?**

CALL PAM

(Patient Attachment Mechanism)

9 am to 3 pm

Monday to Friday

1-844-795-0034

Hope and the Fraser Canyon

604-795-0034

Chilliwack, Agassiz, and Harrison

How does PAM work?

(Patient Attachment Mechanism)

You call and speak to our Patient Attachment Coordinator.

You fill out a Patient Intake Form.
We may call you for more info once the form is submitted.

If needed, our team of family doctors and nurse practitioners will care for you until you are transitioned to a community practice.

For more information, visit
